## WHO IS MO MAGIC?

With his superb blend of talent, skill and persona, Mo Magic will leave you spellbound and enthralled throughout his dynamic presentations and performances. He is unlike any magician you've seen before. Combining the principles of science, sleight of hand, showmanship, illusion, psychology and audience participation he is guaranteed to provide a one of a kind experience.

Specialising in the corporate market, his performances are "clean", emotionally engaging, visual, interactive and highly entertaining. He also personalises his show to enhance your event with your brand, message or product.

Dubbed the "James Bond of Magic" - Mo has fast become one of the country's most recognised magicians and celebrities. His performances across the country and internationally, as well as his numerous appearances across all forms of media, have made him a household name. Even among his fellow professionals, Mo is held in high esteem.

Additionally, Mo holds a BSc Honours degree in electronic engineering and with 6 years of industry experience as a Project and Customer manager, he is also available to assist with planning your event, as an MC and facilitates his own team building programme.

## SERVICES:

### Close Up / Walk Around Performance

*Duration: 1, 2 or 3 hours*

Here Mo Magic strolls amongst your guests, at tables or walk around, sharing extraordinary pieces of interactive magic.

The magic happens under their noses, and in some cases in their own hands. Whether he performs sleight of hand magic, takes their watches (and returns it naturally), bends the cutlery or reads their thoughts, your guests are guaranteed to remember this remarkable experience as part of YOUR event.

### Stand Up / Stage Performance

*Duration: 45 minutes*

Mo is available for an interactive stand up or stage show for larger audiences, where guests are invited on stage to participate in the show. This is an astonishing and entertaining experience for both the participants and audience. The show is "clean", contains humour and is enchanting.

*Technical rider available on request.*

### Combination of Close Up / Walk Around Performance & the Stand Up / Stage Performance

In many cases, clients enjoy a combination of the above two shows. This is a unique and memorable treat for your guests. Performance times vary as per your requirements.

**CAPTIVATING**

**ASTONISHING**

**INTERACTIVE**

**GLAMOROUS**

### Master of Ceremonies

Should your event require a touch of class with an MC, who is well spoken and entertaining, Mo Magic is the ideal choice. He is available as an MC alone, OR with the use of his world class magic.

### Trade Shows, Exhibitions & Product Launches

*Want to launch your product and make it truly memorable?  
Let Mo create magic using the product itself.*

Mo Magic can promote your brand, product or message by combining these into his show to attract potential clients. Once he concludes the performance, he hands over the crowd to your sales team to provide more details.

Mo offers a promotional giveaway option whereby each of your clients receive a magic trick on DVD with a performance and instructions, personalised with YOUR brand name and your company contact details.

### Team Building

Combining his six years of corporate experience (as a project and customer manager), the principles of magic and his quest for personal development, Mo creates a team building experience like no other. The program contains both theory and practical portions.

*Team building program available upon request.*

## REVIEWS:
